For
ROPE COURSE

Group Name: _____

We have endeavored to take reasonable steps to make the ropes course safe; however, we wish to inform you that ropes courses are not without risk. As in any strenuous activity, ropes courses have inherent risks and may result in serious injury or death.

High and low rope and cable combined elements have been designed for team-spirited problem solving, communication, trust, and personal challenge. Low rope elements range from ground level activities to no more than 3 feet. High elements take you from ground level to over 35 ft. Participation in high rope activities is encouraged, but not required. If you have any questions, please feel free to call the director at (254) 622-2194.
